

MARCH/APRIL

DEAR PARENTS/RIDERS:

It is beginning to look like spring here at Magnolia. We are loving the warmer weather. Be sure to sign up for our 2023 Summer Camps soon if you haven't already. Our spots fill quickly, and we will sell out!

As it gets warmer, be sure riders bring a water bottle with them to stay hydrated. We recommend writing their name on their water bottle so if they forget them, we know whose they are and can ensure they get them back.

We are very excited at the opening of our second arena. This will allow us to open some additional lesson slots. Please be patient and flexible with us as we are experiencing some growing pains and working diligently to meet the demand for our lesson program as well as accommodate our riders schedules.

RIDING EQUIPMENT REMINDER

We have noticed that several of our riders do not have a correctly fitted ASTM/SEI riding helmet, boots with block heel or riding pants/tights. These are required for all riders here at Magnolia for safety reasons which are outlined below. We do have a few helmets that are available for use for a new rider during their initial 1 or 2 lessons to allow time to order a helmet.

If you fall into this category, please take action to acquire the proper riding equipment. If you have any questions or are unsure of what to purchase reach out to your instructor. They can point you in the right direction.

HELMET

Given the inherent risks with horseback riding and the importance of protecting your one-and-only-noggin, each rider needs their own properly fitted ASTM/SEI helmet. This type of helmet offers the most protection in the instance a fall may happen. It should be fitted properly.

PADDOCK BOOTS OR TALL BOOTS

Boots with a block heel help the rider keep their foot from sliding through the stirrup and provide protection while working around the horses.

RIDING PANTS

Protect your legs, thighs, and knees fully. They prevent chafing and allow your skin to breathe. Riding tights with a grip seat or thigh is a good option. They offer better control and grip in the saddle to help stay balanced and stable while riding. They also come in a cooler option with it starting to get hot.

WHERE CAN I GO TO GET RIDING APPAREL?

APRIL TUITION

Multiply your number of lessons attended for the month.

REMINDER THAT TUITION IS DUE ON THE 1ST LESSON OF THE MONTH TO AVOID THE \$10 LATE FEE AND THE WHOLE MONTH SHOULD BE PAID IN FULL AT THAT TIME.

If you have some experience with horses and riding, and you want to improve your riding and knowledge, this camp is for you. You will follow our curriculum that will help you level up your riding abilities and horsemanship.

CONGRATULATIONS TO THESE RIDERS FOR LEVELING UP!

To level up you have to master the unmounted and mounted information and be able to teach it back to the instructor. Congratulations riders. Great work!!
